

Massage Therapist

Seattle's multiple-award-winning and most trusted massage and acupuncture clinic is expanding and we're looking for experienced LMPs to join our growing team at Dreamclinic. We have been serving the community since 2004 and our top-notch therapists and clinic staff have built us a stellar reputation with strong customer loyalty. Learn more about us at www.dreamclinic.com and find out why people love us on [Yelp](#).

Dreamclinic has a well-established reputation as one of the best places to work. Locally owned and operated by current and former massage therapists, caring for our LMP team is part of our fiber. Starting pay is \$30/hour and we're looking for the right people to join our team and bring quality bodywork to our communities all around the Puget Sound.

Dreamclinic has three clinic locations and a thriving workplace/onsite chair massage division. Many of our massage therapists chose to work in multiple locations and participate in chair massage opportunities.

To join our team of highly skilled therapists, you'll need to meet the following basic criteria:

- Experience providing high quality deep tissue, sports and Swedish massage
- Great assessment skills with a deep understanding of anatomy and kinesiology
- Possess a toolkit of stretches and self-care tips
- Strong communication skills and a passion for sharing your knowledge
- Believe that a great massage is about more than just table time. It's about the whole experience from the moment a client walks through the door to long after they leave.

Additional qualifications for each team include:

In-Clinic Massage Team

- Minimum of one year of licensed experience
- Proficient at treatment/medical massage
- Comprehensive SOAP charting skills
- Values time before and after sessions for proper assessment, client education and therapist self-care

Workplace Massage Team

- Prior experience in chair massage
- Passion for promoting wellness and massage
- Enjoys the pace of chair massage and has an outgoing personality
- Owns a massage chair and the ability to transport
- Reliable transportation, internet access and phone

If you don't yet meet the requirements to be a part of our In-Clinic Team, which comes with additional benefits for full-time employees, you have a great opportunity to get your foot in the door with our Workplace Massage division and will have first priority to interview for the clinic team once you gain a bit more experience. You'll also have access to various trainings to broaden your skills and move you closer to becoming a part of the clinic team.

We hire for quality and have opportunities to fit your needs. Our team work full-time, part-time, or on-call.

Dreamclinic is genuinely passionate about promoting wellness and quality service to our clientele while maintaining a supportive and positive working environment. We are committed to creating opportunities for our teams to grow and expand their skill-set. In fact, many of our talented team members have been promoted from within to roles such as Lead Therapist, Clinic Manager and LMP Trainer. If you are looking for a career in the industry, Dreamclinic is the place for you.

Help us manage our candidate pool by applying online. [CLICK HERE](#) to access our online application process. You'll get noticed if you answer all the questions and attach your resume and cover letter. We look forward to hearing from you!
